Main table containing race details for 7 races (k01 to k16). Each race entry includes race name, date, time, distance, track, and a grid of horse numbers and names. The grid shows the starting order and the sequence of horses in the race. For example, Race k01 (White) is a 2500m race on a right-handed turf track, with horses like ヒシルーシード and サクラスターダム. Race k16 (Peach) is a 2500m race on a right-handed turf track, with horses like トウショウナイト and 保田.
